Clinical Center at UMDNJ-Robert Wood Johnson Medical School

## Three Doctors Join Team to Care for WTC Responders

**A**s Principal Investigator of the WTC Medical Monitoring and Treatment Program and Medical Director at the EOHSI/UMDNJ Clinic Center in Piscataway, NJ, Iris Udasin MD is pleased to introduce the other physicians who are caring for WTC responders.

The newest addition at EOHSI is Michelle Robertson MD, M PH, Clinical Assistant Professor at UMDNJ/RWJMS. Dr. Robertson, a graduate of Brown University School of Medicine, completed her residency at the Henry Ford Health System in Detroit, fellowship in Occupational Medicine at UMDNJ and a Masters in Public Health at the School of Public Health, UMDNJ. During her fellowship, she exhibited leadership and clinical excellence. She is Board Certified in Family Medicine and Board Eligible in Occupational Medicine.

Another important member of the physician team is Barbara Marroccoli MD. Dr. Marroccoli is a graduate of Robert Wood Johnson Medical School and completed her

The EOHSI Clinic Center is also pleased to announce the addition of Anays Sotolongo, MD to the WTC treatment program. Dr. Sotolongo is a graduate of the Medical School at SUNY, Buffalo and completed a residency and fellowship at Robert Wood Johnson University Hospital. She is Assistant Professor of Medicine in the Division of Pulmonary Medicine and Critical Care and is Board Certified in Internal Medicine, Pulmonary, Critical Care and Sleep. Dr. Sotolongo comes to see patients at EOHSI every Thursday afternoon. In addition, she also has office hours at RWJ University Medical Group and supervises fellows training in Pulmonary Medicine. She and her colleagues, Anthony Scardella MD, and Jay Sunderram MD perform procedures such as bronchoscopy, sleep studies, and further diagnostic pulmonary testing.
